Understand

- CE/PD assessment best practices
- Commonality & uniqueness
- Personal perspectives, assumptions
- CE/PD needs in and across LAMs
Create

• open dataset of CE/PD needs information
• data collection instruments
• longitudinal platforms
Identify

- discipline-specific CE/PD needs
- cross-discipline CE/PD needs
- shared challenges & opportunities
Advisory Board Partners

Archives

- Public Knowledge Project (PKP) School
Project Leadership

Project Governance & Strategy

*Coalition to Advance Learning in Libraries, Archives and Museums*

Assessing the State of the Field Working Group Members

- Oversee design, implementation, completion
- Decision-making
- Issue Resolution
- Community leadership

Administrative

*Educopia Institute*

- Financials
- Contract administration (subcontracts / consultants)
- Project Reporting
- Project Communications
- Project Management
  – Christina Drummond
How you can contribute

1. Provide information on existing CE/PD needs assessments.

2. Engage your members/students in the survey or focus group efforts

3. Help us think about what’s next
