Christina Drummond

Collaborative Network:

Network of autonomous entities that collaborate to achieve compatible goals.

Affiliated Communities

Consulting

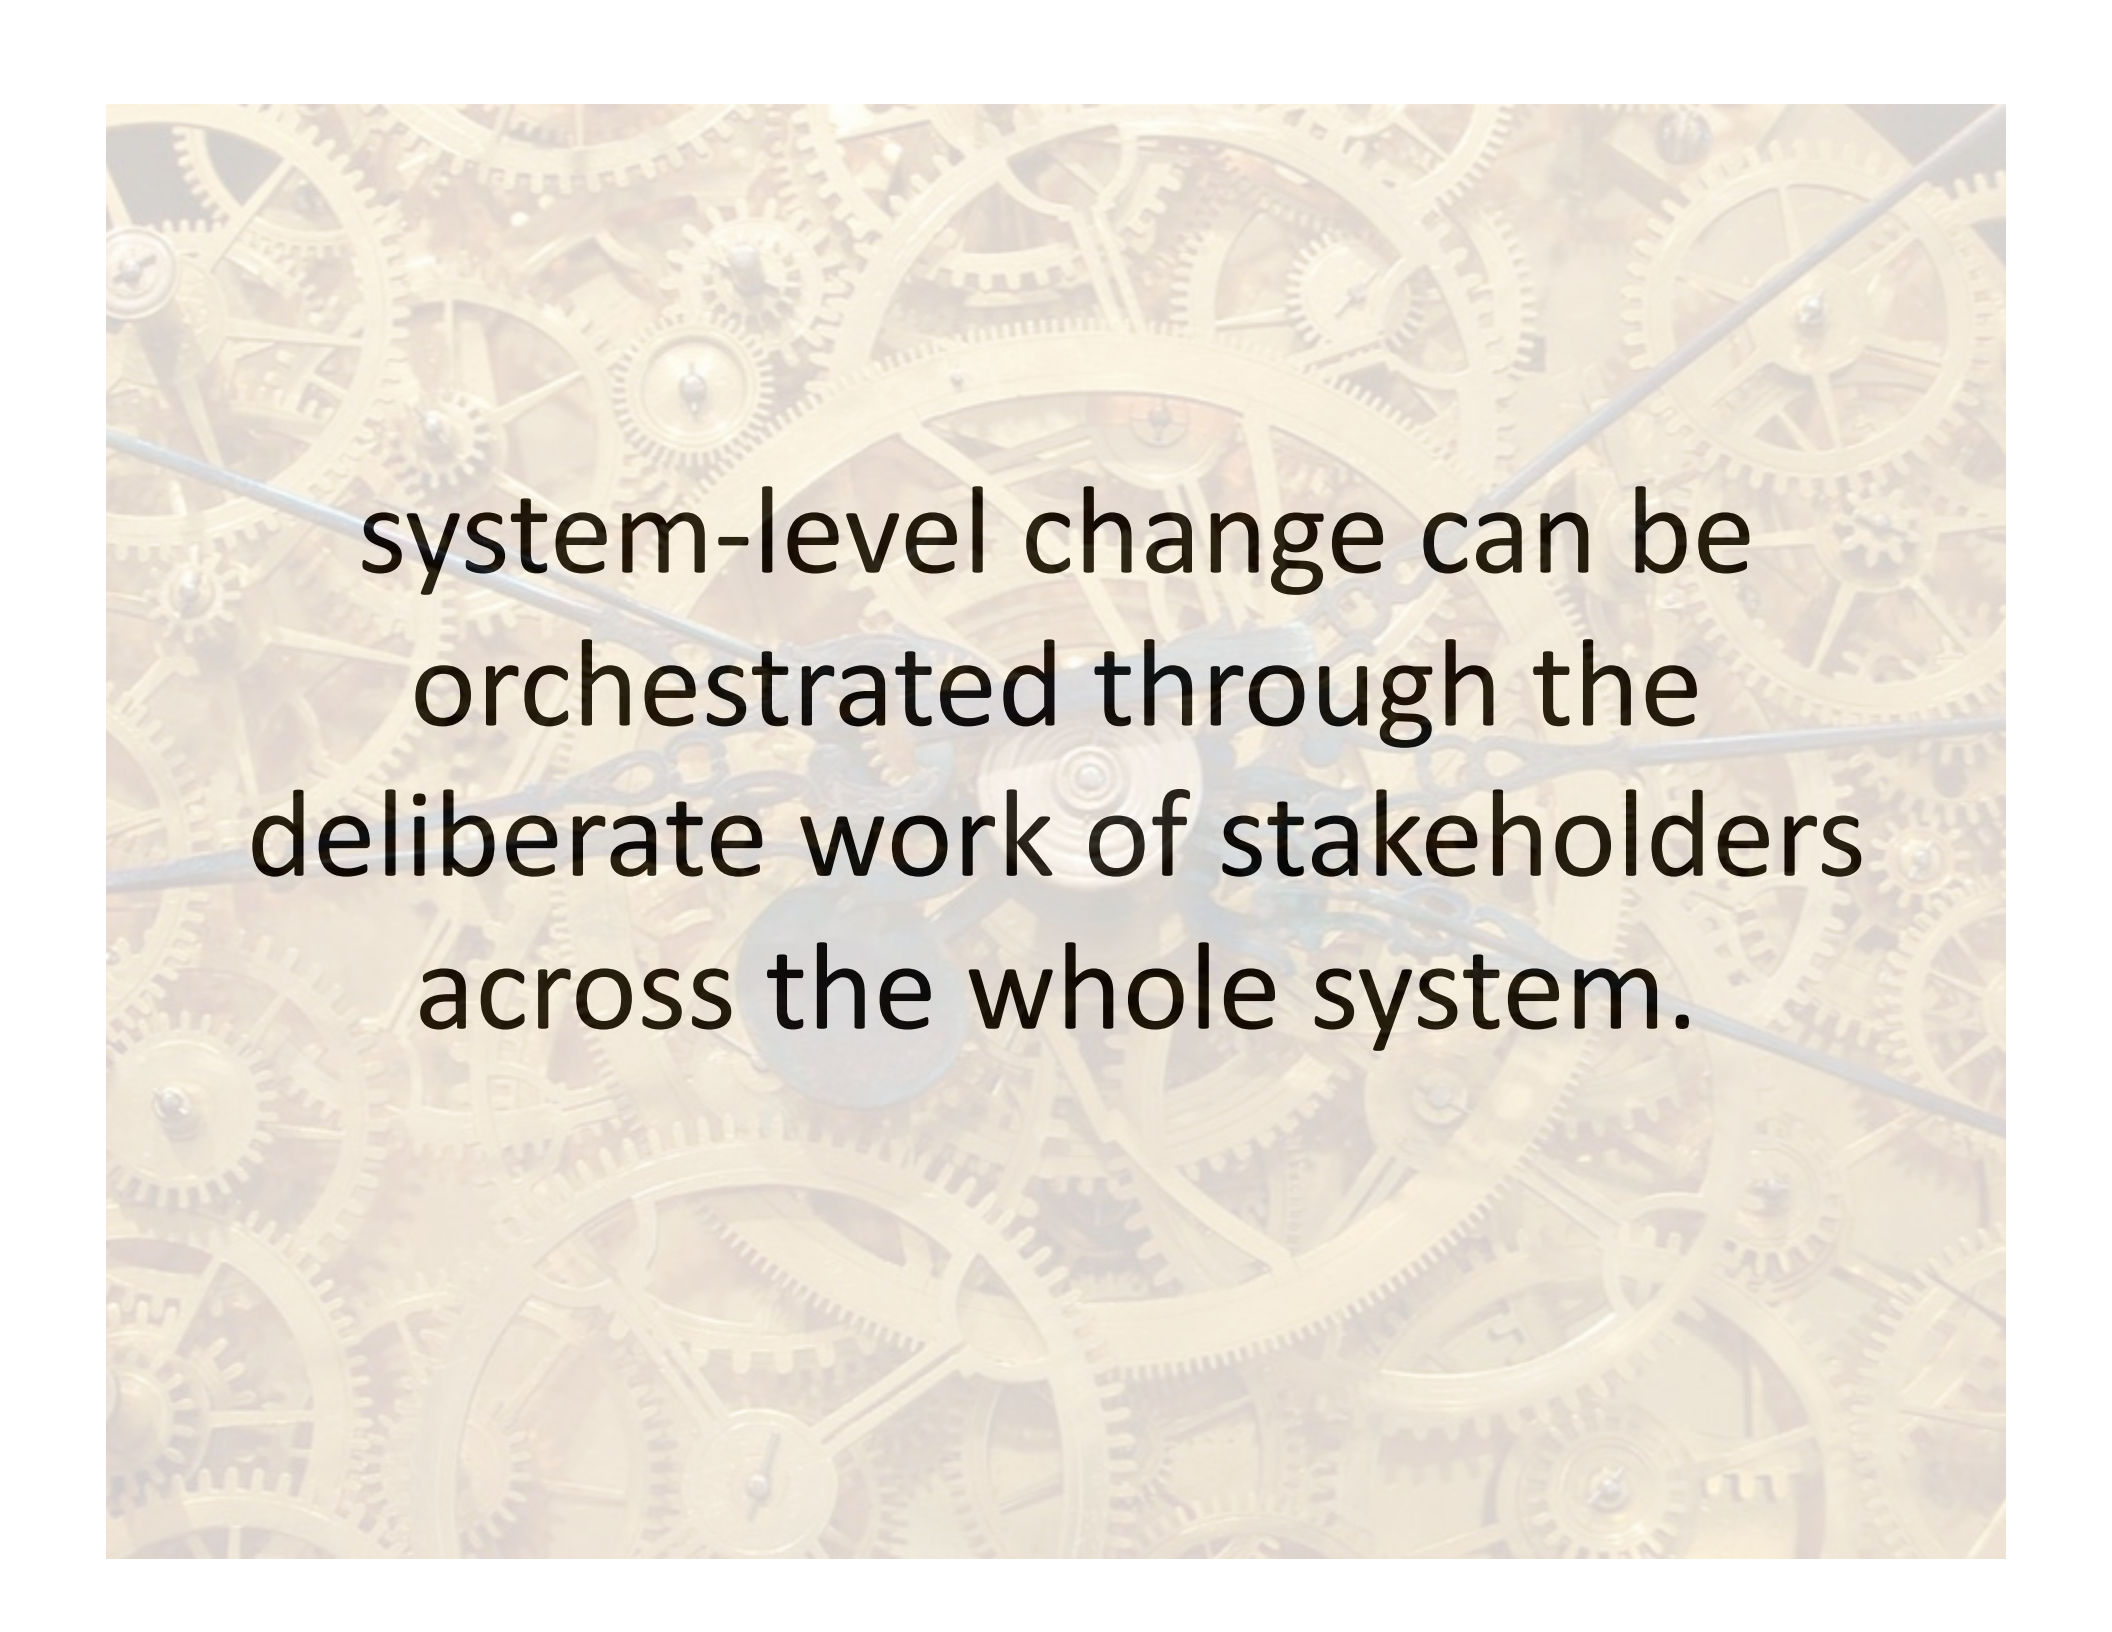

Dodging the
Memory Hole

Coerced Migration
Research Alliance

system-level change can be
orchestrated through the
deliberate work of stakeholders
across the whole system.

Perspective Shifts

A Ferris wheel is shown against a clear blue sky. The wheel's structure is a complex network of white metal beams. The word 'Individual' is written in black text on the left side, and the word 'Organization' is written in black text in the center. The Ferris wheel's cars are visible, some with purple and white patterns.
