Project Background

“Developing a Curriculum to Advance Library-Based Publishing”

• Five openly-licensed modules: Introduction, Content, Impact, Sustainability, Policy
• 14 authors; 5 editors; 17 peer reviewers
• Over 60 hours of teachable material
• 2 in-person and 4 virtual workshops, plus LIS integrations

https://educopia.org/deliverables/library-publishing-curriculum
Project Updates

1. November-December 2017
   ◦ Modules submitted by authors

2. January-February 2018
   ◦ Peer review and external evaluation

3. March-May 2018
   ◦ Content, Impact, and Sustainability Modules released

4. Summer 2018 (forthcoming)
   ◦ Policy and Introduction Modules released
In-Person Pilot Workshops

We’re hosting a series of day-long, in-person pilot workshops at the following conferences:

- 2018 Library Publishing Forum (tomorrow!)
- 2018 Digital Library Federation Forum (October 2018)
Virtual Workshops

We’re also hosting a series of virtual workshops:

- July 2018: Sustainability
  - Taught by Holly Mercer
- August 2018: Impact
  - Taught by Charles Watkinson
- Content and Policy taking place in Fall 2018!
